Overview

The JIM JIM is one of five Rybovich Yacht fisherman to be built. She has been owned by the same individual for over 25 years. Over this time, he has gone through every system and aspect of the vessel and had the Rybovich yard refit every possible detail without regard to cost. She is a remarkable boat and was primarily used for extended Bahamas cruises in the out islands. She is an excellent sea boat, has great accommodations, and a classic style seldom seen these days. Some improvements include the following:

- NEW Awlgrip paint on hull and topsides 2019 including replacement of any rotted wood found on survey inspection
- New shower enclosure and fixtures 2019
- New Bottom Paint 2019
- Engines and Genset Serviced 2018
- JIM JIM has been donated to a national charity and available with very attractive lease/option terms to qualified individuals
