SPECIFICATIONS

Overview

STENELLA is a sailor's dream. This "Hull #1" Richeigh 63 was custom designed and built in 1992 and completely refit in 2017 and 2018. The owner has kept her meticulous for blue water sailing since her christening.

Better than new after the extensive refit that is just completed. No expenses spared.

STENELLA was built by Robertson and Caine of South Africa which has a stellar reputation for building high-quality vessels designed for seaworthiness, quality, and value.

The yachtsman owner of the boat has spent in excess of \$1,000,000 and 4 years restoring this beautiful yacht to its former glory. It is estimated that over 15,000 man hours have been invested in this restoration. The owner has relocated to an area where draft restrictions do not allow him to enjoy his dream boat, hence the sale.

"Stenella" has a rich history both as a private and as a successful charter yacht.

The asking price is 40% below the recently appraised value.
