## Overview

---

### Call with Offers and Trades!

When great style and beauty are equaled by function and performance, the yacht approaches ideal balance. When everything for luxurious onboard living has been graciously provided for in a two-stateroom, two-head interior, and the list of standard features and equipment is unmatched in completeness and quality, the express is obviously a Regal. Apparently, with the 3860, the company that set the standard for the Express Yacht has exercised their right to exceed it. Her two stateroom interior differs from other mid-range express cruisers in that a second head compartment is tucked into the aft stateroom - a convenience seldom found in that boat size. Both staterooms come with sliding privacy doors (rather than curtains), and a hardwood floor in the galley accents the high-gloss cherry cabinetry in the salon. In the cockpit, a semicircular settee offers plenty of guest seating. A wet bar is standard, and a walk through windshield provides bow access. The entire rear deck of the cockpit lifts hydraulically to permit walk-in access to the engine compartment from the swim platform.

## Basic Information

---
