SPECIFICATIONS

Overview

Not a common boat to find, yet by 2005, Albin had already built 250 of the 35's. When you consider the popularity of single diesel pilothouse boats, many of them expensive newer models, the Albin 35TE is a bargain.

Two staterooms, a head with walk in shower, great visibility in an air conditioned environment, open cockpit to lounge or fish.

This boat has all new electronics with autopilot, low hours and comes with a 6 month old dinghy and motor for her (removable) transom davits.
