## Overview

---

Described as the Super Sixty, "Sea Horse" was the premier Sportfish for her time and built with the highly sought after, but hard to find, Open Flybridge model. The boat was built to the tough Hatteras standards of the time that still hold true today!

Powered with twin Detroit Diesel 12V-71 TI's 650hp with all servicing up to date, "Sea Horse" has approximately 560 hours after major overhaul. She burns 8 GPH at 8.5 knots and 14 GPH at 10 knots.

Electronics have been updated, salon has new furniture and new carpeting installed. The last two surveys on "Sea Horse" have been Above Average condition. Current owner has never fished "Sea Horse" but has chartered her for dinner cruises, entertaining and dolphin watching.

**Owner is looking to trade for smaller Hatteras MY or a Condo on the Florida East Coast.**
