SPECIFICATIONS

Overview

GOLDEN EAGLE, a 1987 54' Ocean Alexander is a very well maintained, 3 stateroom Cockpit Motor Yacht and is the only one of this model offered for sale on the East Coast.

She is powered by twin 410HP 671TI Detroit Diesels with approximately 1,900 hours after an in-frame overhaul, 3,650 total hours, and they have been recently serviced. Motors have been well maintained with all engine hoses replaced, both aftercoolers removed, inspected and cleaned. Fully equipped for extended fuel range capacities, GOLDEN EAGLE can be easily converted for an even longer range. She also has an Offshore Marine Laboratories 1000GPD Water Maker and stabilized with Gyro-Gale Quadra-Fin Air Operated Stabilizer System.

Over the years, GOLDEN EAGLE had extensive upgrades including New Northern Lights 16kw Genset, Quadra Fin Stabilizers, Side Power 155TC bow thruster, dual Racors with bypass installed, Algae-X fuel polishers, fuel transfer systems, Dual Cruising Freezers and an Inverter system. She also has had almost all appliances replaced, upgraded electronics and navigation equipment, granite countertops for the galley and both heads and added the powerful Sidepower 250 TC stern thruster.

GOLDEN EAGLE is in very good operational condition, very reliable and used by the owner to single-handedly cruise from the Bahamas to Miami a few times a year for supplies. With a hinged radar mast, 22' up and 15'6" down, she is perfect to cruise "The Great Loop"!

Boat requires a full exterior paint job, owner selling as is and will entertain all reasonable offers

Owner will consider a trade of a 30'-35' Express Model and all reasonable offers!!
