## Overview

---

For Sale! Tiara 4300 Open with Custom Tower. Heavily constructed, conservatively styled, and elegantly appointed, the Tiara 4300 Open was one of the largest production sport boats available when she was introduced in 1991. Built with a modified-V hull, the Open has enough built-in luxury to satisfy family cruisers and a cockpit large enough to meet the demands of hardcore anglers. The below deck accommodations are opulent with light ash joinery, leather upholstery, teak-and-holly sole, hydraulically operated dinette, and a spacious master stateroom with a walkaround island bed and TV. Additional features include a well-designed helm console with room for flush mounting an array of electronics, wide side decks, excellent engine room access, and a foldaway bench seat at the transom. Cruise at 22 to 24 knots with 625hp 6V92 Detroit diesels.
