DETAILED INFORMATION

Remarks

ALDONZA is an exceptional yacht of superb build quality that benefited from Astilleros de Mallorca's expertise in traditional shipbuilding and Willem de Vries Lentsch's supervision of the design, construction and specification, resulting in an outstanding blend of European styles, quality and technology. Originally custombuilt with rigorous attention to detail, ALDONZA boasts an exquisite classic interior, finished in teak and Myrtle root, with fixtures and fittings in granite, onyx, marble and lapis lazuli. ALDONZA has been extensively refitted in 2010 and 2011. Hull paint, annual services and class inspections completed in 2019. Much of her machinery and equipment have been updated, rebuilt or entirely renewed under her current ownership. Her interior has been aesthetically refreshed with brand new upholstery, transmitting seamless luxury and elegance through simple elements of sophistication. Her magnificent entertainment areas guarantee pure relaxation and enjoyment, while four spacious staterooms accommodate eight guests in total comfort. Having proven her seaworthiness by crossing the Atlantic on her own keel, ALDONZA is a true example of top quality construction and design, offering an economical transatlantic range of 4,500 nm. She is extensively equipped, featuring Koopnautic digital/hydraulic Vosper stabilizers, a fully updated navigation system, and every mechanical and technological element required to make of her as much a long range private cruising yacht as a highly competitive option for the international charter market. She is classified under Lloyds + 100A1 + LMC, impeccably maintained sparing no expense, has been fully serviced to date, aesthetically refreshed, and majorly updated in 2010/2011. Adding these features to her strong, robust structure and stunning, timeless design and décor, ALDONZA makes a solid investment. VAT paid.
