SPECIFICATIONS

Overview

This Bayliner 3818 has a great layout with the large cockpit, double cabin layout, elevated dinette, upper and lower helms, AND a walk in engine room. She is perfect for a day on the lake or a trip to the gulf. The repairs done following the recent survey brought the bottom and other areas of the boat to good condition. This yacht has a sea worthy design and makes other in its class envy how easy it is to control in a cross wind or in rough weather. Owner had the bottom completely redone (blister repair and bottom paint) recently. Blue LED courtesy lights were added to the flybridge. Updated Garmin Chartplotter.
