SPECIFICATIONS

Overview

This well maintained 32' Legacy is equipped with a 425hp Cummins with 525 hours, Bow and Stern Thrusters, 5kw Generator with only 150 hours, Full Raymarine electronics package. Cummins Smartcraft gauges, Dual A/C units with one for the cabin and one for the cockpit. Fabulous layout for a cruising couple with centerline queen berth and true separate stall shower in the head!

Azzura is professionally maintained by a local marine service. She is well designed for Florida and was custom ordered with minimal exterior teak to maintain, cream colored hull and canvas covers for protection from the elements. The single Cummins diesel offers great fuel economy while bow and stern thrusters make docking a breeze even in a "good breeze".
