Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Introduction

There's an undeniable presence about the all-new S65, with her slender streamlined form that somehow also exudes a predatory air. A lightweight deep-V hull delivers on this promise with breathtaking agility up to 38 knots. When at anchor, peacefulness descends onto her generous well-appointed deck areas, which include a spacious foredeck seating area, whilst her hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports. Her spacious interior features a sociable galley aft arrangement which opens out to the cockpit, whilst below deck eight guests are accommodated across four cabins, three of which are en suite.

Interior Features

- Walnut Satin wood interior
- (4) Stateroom layout
- All cabins and bathrooms feature opening portholes
- All cabins feature 220/240v power points
- All mattresses pock sprung
