Accommodations

The 44 Coupe incorporates quality and luxury with classic Tiara styles and new technologies in a powerful package. She has everything you know and love about Tiara: great lines and quality components highlight the exterior with fresh interiors and architectural appointments inside. The glass cockpit features the latest in navigation and operating technologies, including Garmin® electronics and Volvo Penta's effortless joystick control. The yacht-wide audio system allows zone specific volume controls and comes with USB/MP3 and integrated bluetooth, 19" and 29" LCD TVs, Blu-Ray DVD player, Bose® Soundlink® portable bluetooth speaker system. Advanced LED lighting throughout. A forward master stateroom with twin berths and private head, complemented by a central guest stateroom and day head offer the perfect amount of overnight space for a family or guests who join for an extended cruise. Rich, solid wood floors, modern wall coverings, architectural finishes and heavy-duty hardware highlight interior finishes. A day head on a boat of this size is rare, and Tiara knew they were going above and beyond with this design option.
