SPECIFICATIONS

Overview

Owner is Moving to a Land-Yacht....Submit All Offers!!

This cruiser is absolutely immaculate! Powered by 740HP of Volvo diesels with approximately 600 hours and newly rebuilt IPS transmissions (joystick control for easy dockage). The most prominent feature of the 43 Sport Bridge is her spaciousness, both above and below deck! She boasts one of the largest flybridges of any boat in her class. With her ample seating and wide foredeck, the spacious bridge provides all the room and comfort you will need to cruise and entertain in style. Silverton's sidewalk and a unique set of molded steps connecting the bridge to the foredeck makes access between the two both safe and convenient whether you're underway, anchored, or handling lines. Inside you will discover two private staterooms and two full heads with standup shower, complimented by a plush salon finished in fine cherry wood and a full-amenity galley. Further, an extended swim platform is integral to the hull and has ample room for stowing the tender and outboard motor (included).
