SPECIFICATIONS

Overview

One of a kind in this area and well priced at \$159,500!

See Broker Comments

This is a beautiful Express Motor Yacht that has been very well cared for and powered by twin 480 HP Volvo Penta Diesels. The cockpit boasts very comfortable seating and eliminates the typical separation of guests between the bridge and aft deck.

Noteworthy is a wet bar that includes a new refrigerator/ice maker and full windshield that provides an excellent range of vision as well as wind and weather protection.

The command bridge includes a new Bimini top, full windshield for excellent range of vision and full enclosure (new Sunbrella fabric and Strataglass) that attaches to the radar arch.

Accommodations are plentiful with three staterooms and a true aft-cabin interior. The master stateroom offers both privacy and luxury, is located aft, and features a queen island berth, cedar lined closets, and a private head with shower and Jacuzzi tub! A large guest stateroom is located forward, and a mid-stateroom is located to starboard.

The spacious open salon provides a full service galley, and an L-Shaped sofa/double recliner.
