Introduction

JADE 959 was originally conceived as a versatile family cruiser with an impressive 4,000nm range and ice class credentials – permitting her access to multi-climate destinations. JADE 959 was designed by JC Espinoza USA, with an interior by Andrea Manco, and features a multiple of exterior lounge and entertaining spaces to suit different needs. Her interior design is light and contemporary and offers an unforgettable experience to both young and old. Across her 52m length and five decks, JADE 959 has an extraordinary accommodation layout for 12 guests in six suites, comprising two master staterooms, two VIP doubles and two twin cabins, with her 10 crew accommodated in separate quarters. Extended passages are fun and guests can enjoy the onboard gym facilities, the conference room, the observation areas and a private owner's study. If needed, even a medical suite. JADE 959 benefits from an exceptional volume (783GT) and is has been a very successful charter yacht, with her on deck Jacuzzi, panoramic observation lounge and wide selection of water toys, making her a popular choice. Jade 959 is MCA compliant and professionally managed and maintained with her 5 year class survey planned for this winter. JADE 959 offers capacious on board living with a contemporary décor and all the modern amenities one could require.
