## **SPECIFICATIONS**

#### **Overview**

"Optetime" was designed with the most popular arrangement in her size range. She offers 3 spacious staterooms with the added benefit of office area in the port guest and spacious crew quarters. Like her smaller and larger sisters in the ever-expanding Marlow Explorer product line, this 58E (Semi-Enclosed) exhibits amazing volume when compared to typical polyester and woven roving construction vessels often built with inferior plywood bulkheads and wood framed bilges. Please understand this is not the Marlow way! Instead, by eliminating wooden supports, bulkheads and framing in favor of resin infused composite construction we have once again been able to bring a yacht to market with 79" of headroom in the main salon and lower accommodations areas, 74" in the engine room and a total height to the top of the hardtop of just 18'6"!"Optetime" was upgraded to have the folding style radar and electronics masts which make her an excellent candidate for the Great Loop. Additionally this low profile makes a far superior sea boat with a drastically lowered center of gravity, while allowing the yacht to slip under many bridges an ordinary yacht in this size range would have to wait for.

### **Basic Information**

Category: Cruising Yacht Model Year: 2014

Year Built: 2014

### **Dimensions**

**LOA**: 67' 8" (20.62mm) **LWL**: 54' 4" (16.56mm)
