Manufacturer Provided Description

The Silverton 410 Sport Bridge is sporty on the outside and gracious on the inside. Two sunpads, plenty of comfortable seating, and a wetbar make being topside truly fun. An ergonomic helm, full instrumentation, and a power-packed engine room make for an exciting adventure. When the day is done, move below to one of the largest interiors in its class. The 410 has a full-beam salon, two full staterooms, a split head and shower, plus a raised galley no chef could ignore.
