SPECIFICATIONS

Overview

Her tantalizing and distinctive exterior designed by Nuvolari Lenard reflects the ultra chic interior, featuring a luxurious décor with selected veneer and accents of contrasting wood.

Distinctive textures and high quality materials have been used to exemplify her splendour for guests' enjoyment to include impeccable dining for 10 around a wooden custom-built table with inset areas displaying fine leather, glass and marble finishing in the salon.

M/Y DB9's clean lines and neutral tones reign throughout her contemporary air-conditioned interior and that extends to her accommodation, where she can sleep between 10 and 12 guests in a full-beam master suite, two double staterooms and two twin-bedded staterooms.

Possibly the most exquisite swimming pool ever to have featured on a yacht of her size, the inviting eight metre pool is majestically located on the foredeck, offering outstanding relaxation along with a further two Jacuzzi's located on the sundeck and another with infinity-edge overlooking the swimming platform.

Continuing with her fantastic array of amenities includes a striking open-air cinema with projector on the sun deck and baby grand piano in the main salon.
