## Overview

---

Named one of the 25 greatest offshore saltwater sport fishing boats of the past 20 years, the Grady-White 330 Express recently was completely redesigned with an emphasis on seating, cabin amenities and interior lighting. Not only is the 330 a premiere sportfishing boat, it is a great family boat and overnight cruiser.

The Express 330 is perhaps the most opulent, yet fishable, express fisher and one of the best rides thanks to Grady's carefully developed hull layup schedule and proven running surface. This 2013 Grady White 330 Express has had no expense spared when it was outfitted seeing as nearly every option has been added including over \$20,000 in electronics.

This Grady has 367 hours on the engines and all service has been performed by Yamaha Certified Technicians.

This 330 Express does not have bottom paint and has been kept on a lift or in dry storage since day one. This boat is truly in incredible condition!

The boat has always been kept in tip top shape by caring owners, and was recently compounded and waxed (March 2019).

This 2013 Grady-White 330 Express was purchased in October 2013 and the owner elected to buy the fully transferable 6-year extended warranty on the twin 300 HP Yamaha V-6 Offshore engines. Therefore, the engines are under warranty until October 2019!

Be sure to see the extensive list of options! Call today for a private showing appointment.
