SPECIFICATIONS

Overview

Luxury, power and style combine in a model with the dynamic, flowing lines to entrance the eye. The Ferretti F800 is one of the most desirable motor yachts designed and commissioned by this most respected Italian shipyard. Her sleek exterior profile is complimented by the warm and open interior space planning. With external areas affording every conceivable comfort, there's an idyllic equilibrium between inside and out.

LA STELLA features 4 generous staterooms with 2 crew cabins forward. There is centerline oversized queen bed flanked by fixed end tables. Cream colour comforter with charcoal blanket and four matching throw pillows. The master bath is on starboard side of the master suite. The flooring is varnished maple with five windows (matching those in the stateroom) with blinds. The same decoration theme found in master is duplicated in staterooms. The bathroom contains full head & stall shower. A separate water closet has marine toilet and bidet.

Like a penthouse surrounded by the sea, this magnificent flybridge offers bright, airy accommodation elegantly furnished with refined design. Featuring teak decks and a hard top with retractable sun roof. Bench seating for 2 guests at helm with both sides. A bench seat is outboard to port side, with five windows including electric shades & curtain. Aft port section has generous lounge. Across to starboard is cabinetry with Gaggenau electric grill, sink & Isotherm refrigerator.

Powered by 2 x 1823 hp MTU, this stunning vessel can easily cruise at 24 knots and achieve 33 knots wide open throttle. With her Mitsubishi Gyro Zero Speed stabilizers you will enjoy both a comfortable ride and stable anchoring.
