Manufacturer: Cummins

Model: QSM660

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The boat shows extremely well for her age. She started off as a new boat on Lake Travis in Austin, TX where she was always stored under cover and fresh water. Her original owner moved her down to Clear Lake, TX to Lakewood Yacht Club which is in brackish water and also kept her in a covered shed. She was sold to her 2nd owner and stayed in Galveston where she was lightly enjoyed and the sold last year to her current owner. Current owner invested \$25,000 in updating an already clean low hour boat and his change of plans is your gain.

Salon
