SPECIFICATIONS

Overview

The Bristol Skiff from Holby Marine Company has a traditional lapstrake hull, trimmed with elegant mahogany rails. The Bristol Skiff is a combination of classic good looks and modern technology, taking the best from each and creating an irresistible choice for those who value function wrapped in traditional lines. Offering exceptional good looks, the Bristol Skiff is a versatile craft that performs in any condition. The twin deep skegs combined with the wide flared hull give this classic excellent stability and maneuverability. Each Bristol Skiff is constructed with the best in laminates and composite materials to create a boat that is extremely durable and dependable. Holby Marine uses a resin infusion process that produces the highest quality hull in the industry. The beautiful finish of the Bristol Skiff is provided by ISO-NGP gel coat designed to handle the harshest of marine environments, while providing a long lasting beautiful finish. The Bristol Skiff provides ample seating and work space. Whether you are looking for a boat to spend the day on the water with your family, or a stable platform for a day of fishing, the Bristol Skiff is the perfect boat.

Walkthrough

The Debbie D features a dark green hull with a mahogany rail surrounding the entire boat. Wrap around bench seating and a center console helm provide seating for up to 6. The helm seat back rest is reversible and there is a built in cooler underneath the seat. She has two lockers forward, one in the bow the other under the front bench seat. There are two additional lockers at the stern under the bench seat, one port and one starboard, with the port locker housing the fuel tank. The bilge pump and fuel filter are mounted between the two stern lockers under the bench seat. One last locker is found under the helm console, and houses the battery. The skiff is completed with running lights and cleats at the bow and stern and stern mounted swim ladder.
