SPECIFICATIONS

Overview

"She's Hooked" is a very clean very well maintained boat. She is perfect for a weekend out in a private cove, or for a fun day trip to the beach. She is small enough that you can put her on the trailer and tow her to the nearest boat ramp, or can keep her at the dock. This boat is best described by the original brochure: "The 260 Sundancer has the sleek good looks and high-caliber performance you'd expect from a much larger, much more expensive cruiser. No other boat in its class can offer the luxurious appointments found in the 260 Sundancer. It's packed with creature comforts inside and out. Smoothly powered by a MerCruiser 260 hp 5.0L MPI Bravo III stern drive, the 260 Sundancer is truly a boat that lets you and your guests get the utmost enjoyment out of the weekend." She comes with a full camper enclosure with clear eisenglass, with a few snaps, you can go from full camper to just a bimini. She also comes with a full canvas cockpit cover to protect your seats and instrumentation from the sun, when not in use. A great relaxing and easy to maintain boat with lots of comfortable space. Come take a look at this great boat already for summer!
