Vincent Lauriot Prévost

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 3JH3E

Engine Type: Sail Drive

Fuel Type: Diesel

DETAILED INFORMATION

Features

Manufacturer Provided Description Conceived to meet the highest standards, the Lagoon 410 is innovative and traditional at the same time. Naval architects Marc Van Peteghen and Vincent Lauriot Prévost have optimized the 410's performance while providing three double cabins and two independent bathrooms, ensuring everyone's privacy. This model includes three cabins and two large bathrooms. The vast galley and living area, which opens directly to the cockpit through a wide, sliding door, maintains the characteristic Lagoon conviviality with a 360-degree vista. The cockpit, well protected by the roof, is the focal point for exterior activities. The portside directly accesses the sea, while the starboard-side table can seat up to ten people. The placement of the helm station at the roof's rear provides a wider view, and by freeing up the rear cockpit, provides more space. In the front, the transverse net provides a superb, secure location for communing with the sea and the dolphins. MECHANICAL 2 Yanmar 3 JH4E 40hp (upgraded from 29hp standard) 2 Yanmar Sail Drives 50 (New 2011), 2018 Sail Drives upgraded with thrust bearings. Morse type control Cable steering. Water Maker- Horizon 17 gph, RO Deck Shower H&C. Windlass with remote control (from helm and foredeck). Water Heater 6 gal. Bilge Pumps 2 manual and 2 electric. 2 Smart Plugs 30 Amp shore power. Salon AC unit 1600 BTU Reverse cycle (new 2019). Aft Cabin AC unit 8000 BTU Reverse cycle (New 2019) Westerbeke Generator 7.6 kw 950 hrs. SAILS AND RIGGING IJPE : 773.00 sq ft I : 45.33 ft J : 14.08 ft P : 48.58 ft E : 18.67 ft Working Sail Area : 759.00 sq ft. 1-Harken #40 2 speed Electric winch, 2- Harken #46 2 speed, ST winches. 2 Harken 44 2 speed ST, 1-Harken #40 2 speed ST.
