SPECIFICATIONS

Overview

A wonderful yacht to sail the Hanse 545 is proven to be also a popular boat to own. Her 3 double cabins make her ideal for a family cruiser and her ease of operation thanks to electric winches, retractable bow thruster and Simrad electronic make her a simple boat to sail and operate short handed. Powered by a Volvo D3-110hp engine as well as a 6kw genset, to run the air conditioning and watermaker when out on anchor. Flush decks, large cockpit, tender garage and spacious interior with excellent headroom all add to her appeal. The current owner is relocating thus the sale however he is handing the boat over in excellent shape having just completed a mini refit in 2018/2019 so she is in tip top shape and ready for a new adventure. Some of the works include:

- Last slipped January to march 2019
- Engine, gear box , shaft, genset overhaul 2019
- AC, water maker servicing 2019
- 4 new 12 V 165 amps dry batteries 2019
- Inverter changed 2019
- Bow thruster control changed 2019
- New VHF with handset 2018
- New electronic and ZEUS chart plotter 2018
- New Code zero 2018

DETAILED INFORMATION

General Information

The 52-foot (15.86m) Hanse 545 yacht AURORE is wonderful to sail aboard. She is one of the famous German builder's most popular models due to her ease of handling, great sailing capabilities and large interior volume.

AUORE's three-double-cabin layout makes her an ideal family cruiser. She is easy to operate thanks to her electric winches, retractable bow thruster and Simrad electronic; she can easily be operated shorthanded.

Flush decks, a large cockpit, a tender garage enjoy there is ample space on deck for enjoying life at sea. The yacht also features a hydraulic drop-down bathing platform/ swim platform for guests to enjoy. For those looking to reel in the big one, the yacht's fishing gear certainly will come in handy.

AUORE's interior volume and high ceilings give the illusion that you're aboard a much large yacht. Her three-cabin layout is comfortable; the owner's cabin is located forward, and an L-shaped galley is to port. The yacht features contemporary styling throughout.

Built in Greifswald in Germany, AUORE's hull was hand-laid with vinylester resin, which is stronger than polyester resin, allowing for less material and a lighter yacht. She is powered by a Volvo D3-110hp shaft drive engine as well as a 6kw genset, to run the air conditioning and watermaker when out on anchor. AUORE features cruiser/racer sails for extra performance.
