Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 350 MAG MPI AXIUS BR3

Engine Type: I/O

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Introduction

Original / experienced Sea Ray “loyal” owner. Prior to purchasing this beautiful 33 Sun Dancer the seller enjoyed a Sea Ray 24 DA and a 28 DA (they also currently own another Sea Ray up north). This 33DA was the perfect fit as they have kept her for more years than all other Sea Ray’s they have owned. Lift kept as you can see in the photos of the bottom and the lower units. ‘Princess Yasmin’ is washed once a week and has a full cockpit mooring cover. Current hours just under 300, used on weekends in the winter time for local boating only (Never been outside of the Fort Lauderdale area / never crossed to the Bahamas / no overnight trips). All ‘fair weather’ day boating which shows in her overall great condition from outside components to inside fit and finish. The owner really appreciates the Axis Joy Stick parking option that makes docking very smooth. All white hull and no bottom paint help with keeping the boat clean and to resist the south Florida sun and weather. The walk-thru windshield and flat nonskid surface forward deck make for a comfortable transition to the bow to lounge or access the cleats or windlass anchor. Before you purchase any similar boats in this size - you need to see this one and you will appreciate the care she has been given.

Electronics

- SmartCraft 4-in-1 multigauges
- Raymarine C80
- Clarion AM/FM stereo/CD player w/ 6-CD changer and 8 speakers
