SPECIFICATIONS

Overview

Graceful external lines define this new boat, not to mention the elegant optional sedan hard-top above the party-size flybridge with bar and optional spa. The stylised arrow-head foredeck arrangement with its table seating, sunpad and optional parasols offer an alternative, more private space. Cruising range is up to 350 nautical miles at around 23 knots or, with the largest capacity engine option, up to 30 knots. With the proven hull form, the ride will be utterly comfortable, even in bigger seas. There is a remarkable choice of different combinations of guest cabins on the lower deck, from three full-beam double suites to one double suite forward and four half-beam twin cabins running aft.

KEY FEATURES

- Maintained full time by professional crew
- Engines at 1066 and 1082 hours, generators at 4005 hours
- Full of options
- Hard Top
