SPECIFICATIONS

Overview

She's a rare 3 Cabin, Owners Version and still fresh out of the box. Her owner spared no expense making her one of the most spectacular Leopard's ever built. She just completed her 1 year check up working closely with the factory to ensure every inch is like new. Unfortunately, health issues are forcing her sale. Here is a chance for a very special yachtsman to take over her without the time and hassles of designing and building a new boat. Don't be fooled by an advertisement for a new boat at the entry price. This Leopard 58 has been designed to be sailed completely single-handed. Her full list of upgrades and options are in the full specs. Some of the key features are:

Rare 3 Cabin Owners Version
