SPECIFICATIONS

Overview

If you're looking for an immaculate dual console boat, built by one of the highest-end and reputable builder, want quality without compromising in performance and ultimately want a vessel in "mint" condition then look no further. The seller has kept this boat in outstanding condition and it shows. Very little use with barely 50 hours on the engines but constantly maintained and taken care of. Good list of options and electronics. This almost like buying a New boat for a discounted price.

The 275 Dorado sets a new industry standard for a family-friendly coastal fishing vessel. The custom fiberglass built-in hard top adds to the stunning look and functionality of the model, while the convertible seating arrangements in the cockpit leave numerous entertaining or lounging options for you, your friends, and family. Relax in the lounge area, cook up your catch of the day on the optional electric grill, or go for a swim off the convenient telescopic swim ladder affixed and stowed in the bow. If you like to ski off the back with the optional ski pylon, chase the sun or fish your favorite spot, this dual console model can do it all.

Basic Information

Category: Runabout

Sub Category: Bowrider

Model Year: 2017

Year Built: 2017

Country: United States

Vessel Top: Hardtop

Dimensions

LOA: 27' 5" (8.36m)

Beam: 9' 0" (2.74m)

Min Draft: 0' 11" (0.28m)

Clearance: 7' 5" (2.26m)

Speed, Capacities and Weight

Cruise Speed: 23.462358534 Kts. (27 MPH) **Cruise Speed RPM:** 3500 Kts.

Max Speed: 46.055740826 Kts. (53 MPH)

Max Speed RPM: 6000 Kts.

Displacement: 5720 Pounds

Water Capacity: 14 Gallons

Holding Tank: 9 Gallons

Fuel Capacity: 163 Gallons

Fuel Consumption: 11 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Finish: Plastic

DETAILED INFORMATION

Features

HULL DECK AND COCKPIT

Self-bailing Cockpit

Forward Folding Bow Table

316 SS Spring Line Cleats

Swim Platform w/ Flexiteek

Wave Gate w/ Fold Away Stern Seat

Shrink Wrap

SS Windshield Header

Built-in 176 Quart Cooler

NOTE: The cockpit is well laid out for fishing with plenty of open space for moving about. It is completely surrounded with padded bolsters. A 25-gallon (94.6 L) livewell in the starboard quarter makes a perfect place to store fenders and dock lines when not being used for bait. To port a similar-size compartment is dedicated for storage.

In the center of the aft cockpit deck is a hatch leading to all of the pumps, fuel fittings, thru-hull fittings and batteries. Note the bronze thru-hulls, the ball valves and fuel primer. Dual fishboxes with pumps to either side of the cockpit deck add to the fishing features. When it's family time, these can easily hold wet bathing suits, masks, snorkels, towels and beach toys.

Entertainment Seating.

The optional port and starboard side seating is something we have seen builders do for years. For boat owners who want to use the 275 Dorado for cocktail cruises with a large group, this seating is ideal. While men don't mind sitting on the boat's gunwales during a party, most women we know prefer not to. These two fold-out seats, along with the transom fold seat are the solution.

Remarkable Seating Options.

But Scout has taken a good idea one step farther: both of the side seats blend seamlessly with the aft-facing jump seats when both are deployed to form dual chaise lounges. This creates more options for how this area can be used than we would have ever imagined and it's amazing that no one has done this before.

Mix and Match.

Go with the aft-facing seats up or down, side seats up or down, aft bench up or down, or mix and match for any number of combinations. And with the addition of the optional cockpit table, the image is complete for ultimate dining and entertaining.

FISHING

Large Cockpit Fishing Area

Port / Stbd in Floor Fish Box w/ Diaphragm Pump

A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Performance

With a tested weight of 8,898 lbs. (4,044 kgs.), including four people aboard and 7/8ths of a tank of fuel, according to Scout, with a pair of Yamaha F200XCA engines they reached a top speed of 53 mph at 6000 rpm. At that speed fuel burn was reportedly measured at 40 gph.

Best cruise: was found to be at 3500 rpm and 26.8 mph. That speed reduced the fuel burn to 10.9 gph. She reached planing speed in 4.99 seconds and accelerated to 30 mph in 7.66 seconds.

Exclusions

Owner's personal belongings.
