DETAILED INFORMATION

Features

Manufacturer Provided Description The 38 Sport Fish Cruiser is a masterpiece of engineering and design that runs like a sports car, but feels like a pleasure palace. For openers, the legendary stepped hull has been redesigned with improved step locations to provide an even smoother and more stable ride in all types of water conditions at all speeds. Further, Fountain Mercury has expanded the chine width, which not only adds lateral stability, it opens up the interior space underneath. This boat eliminates the predicament frequently faced by fishermen: how to get out to the best fishing and where to find an agreeable place to relax when day is done.

Exclusions

Owner's personal belongings.
