Description

STOP! No need to look at any other Azimuts or flybridge yachts in this size range... THIS IS THE BEST PRICED AZIMUT 50 IN THE GLOBAL MARKET!

ISAMAR is a beautiful and well maintained 2015 Azimut 50 that will supersede your expectations! This yacht has only had one owner, and a qualified captain and crew overseeing its operation since new. The boat is currently located in Cartagena, Colombia (South America), and you can quickly get to it by boarding a two-hour flight.

This Azimut 50 has a three stateroom, and two head configuration including a full-beam master. The full VIP is forward and the third cabin is on starboard side. Notable options include Raymarine electronics, teak cockpit, and a hydraulic swim platform. The bow lounge area is perfect for sunset cruising or enjoying the views while at anchor.

So, if you are looking for an amazing summer boat at an aggressive selling price, this is it! Plus, if you do purchase this Azimut, you will have the opportunity to use it in Colombia's coastline and also cruise the Caribbean and its surrounding islands. If you plan on bringing it to the United States later on, the total shipping was quoted at \$35,000 USD. I do have ample experience conducting international transactions and coordinating logistics, so I'll be more than happy to assist you with whatever you need!
