DETAILED INFORMATION

Vessel Walkthrough

This is the preferred 3 Stateroom / 3 Head VIP layout. The Master Stateroom with full size queen bed is to port, VIP Stateroom with double and single forward and guest/crew with upper lower bunks to starboard.

Main Salon

- The salon entrance features an air-assisted door with an Amtico teak and holly entrance area with all new carpet throughout.
- To starboard is a credenza featuring new granite top with cabinets for bar supplies, entertainment/communication equipment, miscellaneous storage and a Clear Ice ice maker. A cabinet above the credenza contains the main electrical panel.
- To port is an L-shaped settee with bar stools at galley overhang. Bar stools allow for additional seating for entertaining, eating or watching TV.
- The large settee features hinged bottom seating for access to the voluminous storage beneath.
- The dinette is forward, starboard with teak table and built in seating for 4+ adults. The bottom seats are hinged for access to the storage beneath.
- Above the dinette is a 43" HD TV which is viewed from anywhere in the salon

Galley

- The galley is forward to port. The galley counter and peninsula are new Cambria Granite (9/2018). The galley counter has a sink with Grohe brass fixtures, Franke Insta-hot water, insinkerator food disposal and Corian covered Kenyon 3 burner electric cook-top.
- Above the counter is a Sharp convection microwave behind disappearing cabinet doors and 2 large cabinets with 2 deep pull out storage drawers per cabinet. Below the counter are 8 pull-out drawers for cutlery, utensils, dinnerware and place settings, a pull-out trash drawer and 2 large storage cabinets.
- The galley peninsula houses 4 Subzero refrigerator drawers and 2 Subzero freezer drawers, the lower with integral ice maker.

- Starboard behind the HD TV is an abundance of bulk storage accessed from a door. Above the companionway steps is a finished cabinet door with a large pull-out drawer.

Companionway

- At the bottom of the companionway steps to port is a closet with shelves for additional galley storage above and hanging storage for foul weather gear below. To starboard is a closet with built-in Kenmore washer and dryer.
- Continuing forward is an entrance to the day head. Additional under deck storage is available through hatches in the companionway and forward stateroom floors.

Master Stateroom Amidship to Port

- The Master Stateroom to port has become the standard for boats of this size. Athwart ship queen bed is full-sized (no tapered foot or shoulder areas), has plenty of room to walk around and cavernous storage under with two drawers and full access by lifting the entire bunk.
- The aft bulkhead is all mirrored doors which access 2 large cedar lined lockers with hanging storage, shelves and shoe storage.
- There are 2 night tables, cabinet and drawer storage outboard and an entry credenza and cabinet above.
- A new Smart TV is built into the wall with DVD/VCR combo hidden in hanging locker.

VIP Stateroom Forward

- The forward stateroom is the optional Viking VIP layout featuring a large double bed to port with a single crossover upper to starboard. There is abundant storage with drawers and bulk storage under the double bed, cabinets under the upper bunk and a large cedar lined hanging locker. A new TV is forward.
- The VIP Stateroom has a private ensuite with sink, head and shower. Mirrored ceiling, Grohe brass fixtures and Amtico teak and holly flooring.

Guest Stateroom Amidship Starboard

- The stateroom to starboard features upper/lower bunks. There is a storage

cabinet with cedar lined hanging locker and lower drawers.

- There is private access to a full bathroom with sink, head and shower. Mirrored ceiling, Grohe brass fixtures and Amtico teak and holly flooring.

Entertainment and Communications

- KVH satellite TV
- 3 Direct TV receivers with remote controls
- Sunfire subwoofer
- Elbex CCTV system with cameras for engine room (3) and cockpit (1)
- Elan Z2 cooling fan

Flybridge

- Large bridge with extended overhang. Custom teak helm pod with Release Marine stainless wheel and single lever controls.
- Release Marine helm chair package.
- The flybridge console has full width electronics boxes with gasketed Lexan lids for water resistance. Console boxes port and center contain the electronics, navigation equipment and MTU engine displays.
- The starboard box contains the MTU engine and sidepower bow thruster controls and accessory switches.
- Electronics are mounted under the console still leaving a large, dry storage space.
- Forward of the console are two freezer boxes, the smaller of which can be a refrigerator.
- Flybridge seats contain custom rod storage for a full complement of tournament rods and reels.
- There is a fresh water outlet forward for easy curtain clean-up and washing down the bridge.
- The flybridge frame was custom built with larger diameter and thicker wall tubing to withstand the 40+ knot speeds.
- The fiberglass hardtop has a glassed on radar pod. Miya Epoch US8 electronic

teaser reels are mounted underneath the hardtop and accessed via a removable door.

- Canvas Design EZ2CY 3 sided enclosure, new February 2017

Cockpit

- Release Marine Sunburst table
- Release Marine battle saddle with 4 rod holders
- Release Marine stainless cover plate for pedestal
- New Non-Skid in Cockpit 8/2018
- Teak steps on flybridge ladder
- Large freezer
- Sink with freshwater faucet
- In deck livewell with circulating pump and drain pump
- In deck fishbox with drain pump
- Cockpit boxes port and starboard for all power cord, water fittings and gaff storage
- Teak covering boards with transom fishbox
- Tackle center with 4 drawers
- Storage cabinet
- In deck ice box with drain pump
- 6 rod holders in teak cockpit coaming
- 6 rod holders in flybridge haunch
- Transom fish door
- Cockpit camera
- Speakers under covering boards
- Lazarette is white awlgrip
- Rocket launchers on flybridge rail

- Cockpit engine room access
- Full cockpit cover
- 24V receptacles under covering boards for electric reels
- Boat hook/gaff storage under covering boards
- New Non-Skid on cockpit floor, 8/2018

Electronics and Navigation

- 2 Furuno VX2-NT chart plotters
- Furuno FCV-1200L fish finder
- 2 Furuno GP-320B antennas
- 2 Icom M-127 VHF radios
- 2 Furuno MU-120C 12" color monitors
- Furuno FR-2125 25kW, 96nm radar with 6' open array
- Furuno RD-30 depth sounder with multi display
- Icom M-502 VHF in salon
- New 2nd VHF on bridge
- Copper grounding system for exceptional SSB reception
- Ritchie compass
- MTU electronic engine displays with fuel flow and diagnostics
- Buell air horns, hidden under flybridge
- Sirius XM antenna
- New LED ACR spotlight with remote control
- Robertson/Simrad AP22 autopilot and heading compass
- Moritz systems monitor
- Custom mast for steaming/anchor lights and GPS antenna
- Cockpit/engine room cameras interfaced to MU-120C

- Vanner voltmaster battery equalizer
- 16' digital antennas for VHF (3) and SSB (1)

Electrical Equipment

- Onan 21.5 generator in sound enclosure for quiet operation, 2550 hours
- Racor diesel/water filter
- 2 Glendinning cablemaster for 50A cables
- 8 group 31 batteries
- 4 24Vv group 31 battery banks
- 2 BUC smart boosts for 50A shore power
- 2 Newmar PT24-45F 24V battery chargers
- Battery parallel switch

Deck and Hull

- Distinctive Seafoam Green hull with custom boot stripes.
- Fresh bottom service with black paint and new cutlass bearings 8/2018
- Forward deck anchor locker with freshwater outlet has room for fenders and dock lines, painted in white Imron.
- Bow Rail new 8/2018
- Rupp triple spreader outriggers
- LED style navigation lights
- 4 Bennett trim tabs
- 310 gallon fresh water tank
- Fortress F-55 anchor with 30' 3/8" ACCO G4 chain and 250' 5/8" Samson Super Strong anchor line
- Sleipner SidePower bow thruster
- Generator exhaust manifold for side/stern discharge

- 2 underwater lights
- 40 gallon black water tank
- Guardian G-37 anchor with 10' 3.8" ACCO G4 chain and 150' 5/8" Samson Super Strong anchor line
