Hull Material: Fiberglass

Hull Configuration: Semi-Displacement

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C-30

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

The Hatteras 64 Motor Yacht features sleek, contemporary exterior styling matched to a luxurious interior finished to the industry's highest standards. The model reflects acute attention to customer input, reflected in a fresh accommodation plan and intuitive touches found throughout the vessel. High performance is assured by a base engine package of 1,000-hp CAT C-18s, which provide a comfortable 22- to 24-knot cruise at 2100 RPM and a fast top-end of 26 to 28 knots. Should you require higher performance, larger engines are available from both CAT and MTU. The 64 Motor Yacht incorporates Hatteras' popular convex hull shape, allowing for more interior space forward and providing for a softer ride in rough water. Propeller tunnels afford this 116,700-pound motor yacht a 4'8" draft with the heaviest engines available. With the base CAT C-18s, the yacht weighs in at 110,700 pounds for a draft of only 4'6".

Exclusions

Owner's personal belongings.
