SPECIFICATIONS

Overview

The first thing you notice when approaching the 4450, is its unique design which has made it one of the most sought after aft cabins on the market today. Cruisers Yachts has married an express bridge with an aft cabin hull. The cockpit is very spacious with ample seating for entertaining. The helm station is ergonomically designed for comfort in handling. Moving into the cabin, you notice a very spacious salon with plenty of visibility, an L-Shaped couched with dual incliners and a dinette which converts to a double sleeper. Across from the dinette there is a well-proportioned galley with full size refrigerator/freezer, moving down and forward there are two staterooms and a head with a separate shower, moving aft of the salon you enter the huge aft cabin with king size island bed and private head with shower and Jacuzzi tub. All the comforts of home on the water.
