SPECIFICATIONS

Overview

2004 Cruisers 340 Express

The Cruisers 340 Express offers unbeatable performance in an expertly designed, luxurious cruising package. Her interior accommodations will sleep five comfortably. The forward stateroom features a large double bed with easy access, and the stateroom can be closed off from the salon by a privacy curtain or an optional bulkhead and door. Aft, owners can select either a fixed double berth, maximizing overnight accommodations for guests, or an alternate layout with a circular settee that can also be converted to a double berth. With the settee layout, this area can effectively lengthen the salon into one wide open living space or, with the privacy curtain, it can serve as a comfortable mid cabin. The facing dinette - or available crescent-shaped, convertible dinette - to starboard provides an additional berth. Located just to port of the companionway is a full-service galley with all the amenities, including a large refrigerator/freezer, microwave and double-burner electric stove. For additional on board convenience while cruising or living aboard, the 340 also provides a feature unusual for a boat in this class: a spacious head with a large, separate shower stall and full standing headroom. Above decks, the 340 has a generous cockpit seating arrangement that is ideal for dockside or on-the-water entertaining. She also features a wet bar, cockpit shower, cockpit refrigerator - perfect for fun-filled summer afternoons with family and friends. A custom-fitted enclosure will keep everyone protected from the hot sun or inclement weather.
