Overview

Price Reduced!!

Cruisers has long been known for excellent build quality and for innovative design. The **Cruiser 3570 Esprit** is an excellent example of these design innovations! One look at the floor plan of the 3570 and you immediately see creative ideas at work. Featuring a Queen-size berth amidships and a large circular dinette which converts into a second double berth, her cabin and salon feel spacious and well planned. There is ample headroom throughout, and even a stall shower in the enclosed head compartment!

This 3570 spent the majority of her earlier years in the fresh waters of Ohio before moving to the coast with her long-term owner. Recent upgrades include fresh bottom paint, a new Cruiseair HVAC system and new enclosure windows.

Powered by twin MerCruiser 7.4L V-Drive Power she is a good and proven performer in great condition, ready for a new adventure!

Please check the **FULL SPECS** for more information and give us a call to discuss her in more detail!
