SPECIFICATIONS

Overview

"Lost Keys" is a standout example of the spacious and well designed Silverton 392 Motoryacht. Featuring a bow thruster and electronic Yanmar diesels with under 150 hours there is not another Silverton on the market like her! In addition to being a late model 392, "Lost Keys" is actually even newer considering the fact that she did not go into service until 2011. At that time all new Raymarine E Series touchscreen electronics were installed including large chartplotter, radar and autopilot! A not to be missed boat that has all the room for extended stays onboard, entertaining and cruising!

RECENT IMPROVEMENTS INCLUDE:

- **New Stamoid Bimini**
- **New Eisenglass Enclosure**
- **New Corinthian Exterior Carpet at Helm and Aft Deck**
- **New KVH III SAT TV**
- **Two New TV's in Staterooms**
- **New LED Cockpit Lights**
- **Enhanced Engine Room Lighting**

"Lost Keys" has been freshly detailed and spring commissioned and is ready to be enjoyed by her next owner. If you are looking for a tremendously roomy motor yacht with low hour diesels, bow thruster, comprehensive electronics, fresh canvas and more, then please take the time to come and see "Lost Keys"!
