SPECIFICATIONS

Overview

"Sweet Dreams II" is a very well equipped late model 2014 Princess V-48 offering sleek, dynamic and exceptionally spacious accommodations. The Princess V-48 is a highly versatile sports yacht delivering excitement and comfort in equal measure. Her light-weight, resin infused hull is designed to quicken the transition to planning speeds and so improve efficiency while providing a performance that is both assured and exhilarating. She is equally competent at low speeds with the latest Volvo IPS engines and drive system, making even the tightest of marina maneuver's a simple and relaxed operation.

The main deck is enclosed and features a spacious salon which provides a wonderful escape from the heat of the day. This area can be simply transformed for true "open boating" via a large powered roof and triple sliding doors that connect to the aft cockpit.

The bathing platform is large enough to stow a tender and is hydraulically operated making water sports easily accessible.

Below decks the lower salon provides a more intimate haven in which to relax and is ideally located adjacent to the galley which has been equipped to provide everything needed for an extended stay on board. Two large cabins provide sumptuous accommodations with a vast and exceptionally light owner's stateroom amidships and a forward guest cabin with the option of a "scissor berth" system to create a double or twin beds as required.

Conveniently Located in St. Petersburg, FL. Call Today for a Showing!!
