## Overview

---

INTRODUCTION: This iconic, practical and sought-after yacht is roomy, convenient and wonderful to operate. One of the first stabilized Selene 48's, she is always comfortable underway, at the dock or at anchor. Her cherry interior and practical layout will remind you of being home, while satisfying all of your cruising needs. She is easy to maneuver in tight conditions, especially when docking, passing barges on riverways and making approaches in stiff winds and currents. She's the perfect yacht for cruising the "Great Loop," the "Intercoastal Waterway" or the Caribbean. Her engine room is easily accessible through her entry passageway and, when needed, by lifting sections of the salon flooring. Standard service tasks become routine, as everything in the engine room is close at hand. For serving guests, her unique and convenient galley, large salon and flybridge are an entertainer's dream. She'll get you anywhere in convenience, comfort and style while, most importantly, not busting your budget.
