Overview

Nirvana is quite the surprise! The sellers are the 3rd owners and purchased Nirvana in 2001. Previous owners traveled Nirvana through out the East coast and the Islands. This vessel has undergone an incredible comprehensive refit. Nirvana looks like a brand new boat! Her bright and airy interior was refitted with new wood sole, new paint, new cushions, and new high end custom mattresses. Nirvana started as a ketch rig and has been converted to a sloop rig by Annapolis Rigging. This vessel is one of a kind with her custom upgrades. Should you want to travel offshore or just in the bay, this Gulfstar will not disappoint. Nirvana is a must see!
