SPECIFICATIONS

Overview

This 2007 39' Tiara "KEYS CAPE" is an incredibly clean, well maintained 39 Sovran. Her condition belies her 2007 model year, with a great shine overall, impeccable two-tone vinyl, upgraded Garmin electronics (2018) and an interior that shows practically new. An experienced and fastidious owner has ensured all service is up to date, and has employed a local yacht management company to oversee cleaning, detailing and service on a regular basis. The pods are serviced annually by the local Volvo dealer, and with only 800 hours on the engines, she has enjoyed light use throughout the years. If a Sovran is on your short list, KEYS CAPE should be on the top. Competitively priced and turn-key ready for sale. Call today for more information.

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Stepping aboard KEYS CAPE onto the sizable swim platform, you enter the cockpit through the starboard transom boarding door. The aft area of the cockpit has surround U-shaped seating for multiple guests (seats 6-8 easily) with engine room access via an embedded floor hatch, or an electronically opened floor panel that spans the width of the cockpit itself. Stepping up and forward, helm and captains chair are to starboard, while to the port we see additional guest/passenger L-shaped seating with an easily removable table. Notably all the cockpit and helm level upholstery is in immaculate condition. At the helm, the captain has every tool necessary for anything from a day trip to an extended voyage including new Garmin electronics (2018), a VHF radio, radar, autopilot, depth sounder, spotlight etc... the list goes on... Working down through the companionway into the salon, a nice convertible settee with couch is to port, while to starboard lies a fully equipped galley. Aft of the galley is the TV/entertainment room, which doubles as a second guest stateroom. Forward is the master stateroom, with a closing door, center line queen bed and ample storage. KEYS CAPE is truly a great find if you're interested in a 39 Sovran. Her condition, ride, history and a caring owner have helped make her one of the finest examples of this model on the market today.

Electronics
