SPECIFICATIONS

Overview

2011 Larson Cabrio 240

For a first-offering into mid-cabin cruising, there is nothing "entry-like" on this value packed and feature loaded Cabrio 240. Starting off with a deep-vee design that delivers a smooth ride in rough water, its notched hull helps lift the running surface to reduce drag and give you efficiency in fuel economy and up to 320 HP performance when you want it. A transom shower, cockpit wetbar and Sony stereo/CD player with helm remote are standard.
