SPECIFICATIONS

Overview

This 2007 29' MJM Z29 is a Must See! Only 366 hours on this 29Z used mostly in freshwater. She is in amazing condition and surely won't last long! Powered by Volvo 260 Diesel Duo Prop with only 366 Hours. She cruises at 22 and is super efficient. This 29z is the only 29 footer in the world that can deliver such a fuel efficient but dry and comfortable ride. As in cars, this is due to its high-tech epoxy wet pre-preg Kevlar/Eglass/Corecell composite laminate, vacuum-bagged and oven post-cured construction. Construction is certified as an ISO CE Mark Category B Offshore Power Yacht. NO WOOD ON DECK to maintain. 6 feet of headroom in a 29 footer and still beautiful is an amazing design feat. People marvel at the living space below, the large head, and galley compared to other 29 footers. Trades considered! Financing Available!

Basic Information
