## Vessel Walk Through

---

Designed to be the ultimate in cruising luxury and performance, the Cruisers 50 Sedan Sport has three staterooms, three deck levels, a unique indoor stairway to the bridge deck, and deluxe appointments. Might As Well's well-designed bridge features a fully equipped wet bar with an optional refrigerator and ice maker, a stereo, a wrap-around settee for guests and crew, a triple-wide helm seat, and plenty of room to move around comfortably. Might As Well also features an extended swim platform with hydraulic lift—perfect for bringing along extra toys on the big cruise.

Her elegant salon incorporates a well-appointed galley with an ergonomically designed lower helm station, a convertible, crescent-shaped dinette-sofa, a double incliner sofa and sweeping 360 -degree views into its wide-open, airy living space. The ultra-modern, full-service galley includes a full-size refrigerator (new in 2016) and freezer with ice maker, a microwave-convection oven, a three burner stove, an optional coffee maker, plenty of counter and storage space and elegant wood flooring.

Located amidships to port, the deluxe master stateroom boasts a large island berth with inner-spring mattress, ample locker storage for live-aboard cruising and private access to the port-side main head. The main head features a large vanity and sink, generous storage, and a separate showering area with full standing headroom. The roomy starboard-side head, also accessible from the forward stateroom, includes a stand-up shower stall with seat. That forward stateroom offers a large island berth with inner-spring mattress, lots of storage, and luxurious comfort. In addition, comfortable twin berths in the midships stateroom can be easily converted to a king-size bed with a self-storing filler cushion; this cabin also serves as a laundry room with dual washer and dryer combo units.
