

GG — OCEAN ALEXANDER

Builder: OCEAN ALEXANDER

Year Built: 2014

Model: Motor Yacht

Price: PRICE ON APPLICATION

Location: United States

LOA: 78' 7" (23.95m)

Beam: 20' 1" (6.12m)

Min Draft: 5' 4" (1.63m)

Max Draft: 5' 11" (1.80m)

Cruise Speed: 17 Kts. (20 MPH)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **GG — OCEAN ALEXANDER** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **GG — OCEAN ALEXANDER** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Overview

Pristine condition 78 Sky lounge. Second owner and meticulously maintained to the highest standard with a full time crew of 2. Three staterooms, three-head configuration with the Evan Marshall designed skylounge complete with day head accessible from the sky lounge or bridge deck. Upgraded stabilizers and hydraulic thrusters with hold feature. Three control stations in addition to wireless yacht controller allow easy maneuvering. Custom control 4 AV system with unitary remotes. Spacious crew quarters and vertical lazarette for storage needs. This 78 OA is ready to go!

Basic Information

Category: Motor Yacht

Model Year: 2014

Year Built: 2014

Country: United States

Vessel Top: Enclosed Pilothouse

Dimensions

LOA: 78' 7" (23.95m)

LWL: 66' 7" (20.29m)

Beam: 20' 1" (6.12m)

Min Draft: 5' 4" (1.63m)

Max Draft: 5' 11" (1.80m)

Speed, Capacities and Weight

Cruise Speed: 17 Kts. (20 MPH)

Displacement: 144000 Pounds

Gross Tonnage: 62 Pounds

Water Capacity: 350 Gallons

Holding Tank: 200 Gallons

Fuel Capacity: 2000 Gallons

Accommodations

Total Cabins: 3

Sleeps: 6

Total Heads: 5

Crew Cabin: 1

Crew Berths: 2

Crew Sleeps: 2

Hull and Deck Information

Hull Material: GRP

Deck Material: Teak

Hull Configuration: Semi-Displacement **Hull Designer:** Ed Monk Jr.

Exterior Designer: Ocean Alexander **Interior Designer:** Evan K. Marshall

Engine Information

Engines: 2

Manufacturer: MTU

Model: 10V2000 M94

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Pristine condition 78 Sky lounge. Second owner and meticulously maintained to the highest standard with a full time crew of 2. Three staterooms, three-head configuration with the Evan Marshall designed skylounge complete with day head accessible from the sky lounge or bridge deck. Upgraded stabilizers and hydraulic thrusters with hold feature. Three control stations in addition to wireless yacht controller allow easy maneuvering. Custom control 4 AV system with unitary remotes. Spacious crew quarters and vertical lazarette for storage needs. This 78 OA is ready to go!

Interior and Accommodation

- Wood paneling and cabinetry • Soft vinyl headliners • Designed pull handles for drawers & cupboards • Wood for window frames and bullnose • S/S hardware • Satin varnish for interior finish • Fabric covered walls for lower walkway walls • Concealed hinges throughout interior cabinets w/auto soft-closing function • Mattresses for berths • Hanging lockers with dual-lock mechanism • Foyer flooring is available in Granite or Marble as a selected option by customer • Maytag 2400AWW stacked washer/dryer (Commercial quality, Energy Star washer/dryer with generous 2.4 cu.ft. capacity)

Salon

- LCD 40" TV with professional A/V system with subwoofer • Phantom screen (for insects + pollen protection) with dedicated wood box for door • 24V LED lights (Aerospace quality, specially tuned color temperature for Ocean Alexander that last over 100,00 + hours) • Salon table with burl-wood top • U-line Ice maker inside locker • Wood paneling and cabinetry • Control 4 unitary remote and AV system control

Master Stateroom

- LCD 40" TV with professional A/V System • One Sub-Woofer • King-sized berth • Two nightstands with countertop • Bureau and vanity on stbd side • Safe in hanging locker • Fixed windows on hull side • Full-height, cedar-lined hanging lockers with automatic lighting • His-and-her head with shower & vanity • Remote/Speakers

Guest Stateroom/VIP

- Queen sized berth • Side-by-side lower berths, fabric covered (Port Guest Stateroom)

- Dressing mirror • LCD 22" TV & DVD disc player • Cedar-lined hanging lockers with automatic lighting • S/S rectangular port light with privacy screen • Head with stall shower (Port Guest Stateroom + Forward VIP Stateroom)

Crew Quarters

- Cedar-lined hanging locker with automatic lighting • Kitchenette (sink, microwave and refrigerator) • Storage locker • Drawers under bunk • Head with stall shower • Microwave Oven • LCD 22" TV & DVD disc player • Amtico flooring

Heads

- Wood walls & cabinets with Granite countertops • China sink • Planus toilet system • Vent blower • Seamless fiberglass stall shower with one-piece glass door. Industry leading seamless one-piece shower stall design provides long term protection against moisture, water intrusion behind the shower • Grohe faucets for sink and shower • Custom bathroom hardware • Custom bathroom fixtures • Air extraction in each head shall be low noise extraction fans, switched separately from lights. Fans to discharge air outside • Wood flooring • One medicine cabinet • Shower door with Granite or Marble frame • Mirrored cabinet door under head port light

Galley

- Granite/marble countertops • Wood cabinetry • Wood flooring • Storage cabinets • Appropriately sized (or oversized) silverware and cutlery drawers • Frank double sinks with pull out faucet • "Drawer Type" shelves in large galley cabinet • Overhead dish locker forward • Overhang cabinet in galley • Whirlpool garbage disposal • 36" JennAir electric cook top • 30" JennAir Over-the-Range Microwave with Speed-Cook Convection • 30" JennAir electric cook top • 27" JennAir electric oven • 15" Whirlpool trash compactor • 24" Fisher/Paykel dishwasher

Pilothouse/Dinette

- Sunken and extended dash with instrumentation • L-shaped, I-shaped or C-shaped dinette with chart drawer beneath • Wood tabletop with storage • Windshield defrosters • Weather-tight doors to side deck • Phantom screen (for insects + pollen protection) with dedicated wood box for door • Wood flooring • Pantograph doors in Pilothouse

Skylounge

- Custom settee with table
- Larger dash for electronics
- Weather-tight sliding doors (port & starboard)
- Pop-up 26" TV with A/V system
- Bar sink & faucet
- Rear facing custom fiberglass cabinetry
- A/C includes Marine Air & Heat
- Control 4 AV system control

Exterior

- 2" Elliptical 316 Stainless steel handrails on main deck, 1 ½" on FB
- S/S cleats and hawseholes
- S/S anchor roller
- S/S anchor light bracket
- Tempered dark tinted window glass (1/2" in Forward PH, 3/8" other areas). Glass is specially treated which increase energy efficiency by 25% + and is UV stabilized for reduction of fading and degradation of a yacht's interior and health of occupants due to harmful UV rays
- Fiberglass staircase from cockpit FB
- Wet bar with sink and bar refrigerator on Skylounge
- FB seat with storage underneath
- Electric S/S salon door to Aft Deck
- Weather-tight doors at PH
- Teak bow and stern staffs
- Lighted OA logo
- Aft Deck shower, dockside water inlet
- Four U-shaped rails on swim step
- Boat deck sliding hatch
- Slide boarding gates at Aft Deck
- Complete boat is factory painted in Alexseal

Construction

General • Vinylester resin • Longitudinal and lateral fiberglass stringers filled with high-density foam • Reinforced collision bulkhead • Fiberglass with infusion and "vacuum bag technology" • Frameless window • All exterior hardware is S/S 316 or to manufacturer requirements • Ocean Alexander employs various techniques to reduce sound and vibration. Focusing on providing a quiet and comfortable yachting environment through various proprietary techniques of controlling sound and noise transmission. Some of these techniques include, multiple insulation barriers including reflective materials, absorptive materials, dampening materials, air pockets and flexible and isolation mounts. Ultimately resulting in vibration/sounds levels that are industry leading and at times ½ to 1/10 of ISO-6954 requirements

Hull/Bottom • Black boot top stripe • Interior structural components all bonded to hull • Three coats of Seahawk primer, hi-build epoxy barrier coat and covered with two coats of Seahawk self-polishing bottom paint. • Bronze through-hull fittings Deck/Pilothouse • White non-skid fiberglass decks • Fiberglass settee with oval teak sliding table on aft deck • Swimming ladder

Mechanical Equipment

- 2 x MTU 10V200 @ 1600HP with approximately 1,775 hours (June 2019)
- Three control stations: FB & PH, with complete engine instrumentation with lighted, modern switches. Swing out 3rd fixed control in Cockpit
- Delta T intake/exhaust fans with demister to eliminate moisture from the intake air flow to keep machinery spaces dry

Engine hour meter • Electric engine control • Engine alarm system (oil and temperature) • Wet exhaust and including water temperature, oil pressure, hour meter and start/stop controls in the Pilothouse • Dripless engine shaft seal logs • Dripless seal for rudderpost • Underwater exhaust system • Complete engine instrumentation, two stations • Stainless Steel rail on side of engine Generator & Electrical • Twin Kohler 32 KW genset Generator exhausts to be water-drop type per "Centek", "Marine Exhaust Co." or equal • Generator set resiliently mounted and installed with sound shield & vibration dampener • Generators with gas/water separator • Oil changing system for both engines and genset • Octoplex - electrical power management system with 2 control pads to manage all breakers Windlass/Mooring • Hydraulic windlass, VWC 4000C • Stainless steel plow type anchor 125lbs with 300ft anchor chain (3/8" HT) & chain stopper • Chain counter Thruster/Stabilizers • KEYPOWER hydraulic bow thruster 25HP with proportional control • KEYPOWER hydraulic stabilizers (9 Sq.Ft. x 2) with one monitor in Pilothouse Steering/Control • Hydraulic steering system by Hynautic/Teleflex power steering system • Stainless Steel rudders • Bronze struts with cutlass bearing • High performance, computer-designed and machined class "S" propellers • Zincs on rudders, shafts • Wood steering wheel inside & S/S on Flybridge • 3 x Valves in steering system for autopilot • Stidd Mechanical helm chair in Pilothouse x1 • Stidd Mechanical helm seats in FB (white) x 2 • Propeller shaft Aqua 22HS, 22HS is a high-grade austenitic alloy stainless steel that provides superior corrosion resistance (comparable to Aqua 22) along with excellent toughness and high strength (comparable with Aqua 17). A no compromised approach adopted by the navies around the world Other • Spare conduit running from engine room to Pilothouse, engine room to Flybridge and engine room to Flybridge overhang • Color-coded piping for fuel, water and hydraulic system • Hydraulic 1750lbs davit (21,000 ft.lb 3 function hydraulic boom, rotation and extension) • Fire Boy fire extinguisher system with engine shutdown feature • Heavy duty Kahlenberg dual air horn • All engine room and machinery spaces shall be primed and top coated with polyurethane paint system • Aluminum diamond plate flooring in engine room • Hepworth heavy-duty commercial grade pantograph windshield wipers and washers with intermittent function • Detailed stringers in engine room and lazarette • S/S cap on transverse stringers in central walkway • 2HP air compressor in engine room with multiple quick disconnect outlets • Ritchie compass 5" • Interceptor blades, custom conforms to tunnel shape

Water Systems

Fresh Water System • Headhunter pressure fresh-water system • 2mm thickness 316 S/S water tank with sight gauge • Fresh water outlet with hose for engines & generators • Fresh water wash down, at bow & stern & boat deck Hot Water Heater • One 40-gallon water heater with high-density fiberglass insulation with high efficiency heating element Fuel System • 4.5mm thickness 5052 Aluminum fuel tanks with sight gauges and tested to international standards 33CFR 510(a) with high and low fuel level alarm system • Dual Racor fuel/water separator with Y-valves for engine & generator

Bilge / Discharge • Common drainage system for sink, shower, bilge & exterior deck • Bilge pump in forward and aft of engine room • Automatic bilge pump – The vessel shall be outfitted with automatic bilge pump with manual and automatic switches in each space as divided by weather-tight bulkheads. High water alarms will be mounted in each of these bilge zones • 24V shower sump pumps • One manual bilge pump • Dry bilge area arrangement in center of engine room • Lighted bilge Deck/Flybridge • Dockside water connection • Both side fillers for water & fuel tanks

Electrical Equipment

Battery • Heavy-duty batteries (house banks: 825 AH, engine batteries: 550AH, genset batteries: 490AH) • Battery paralleling system with control switch • Service battery switch • Engine battery isolation switches • AGM batteries with 40F to 140F operating temp and industry leading low self-discharge rates 1 to 3% AC/DC System • AC outlets throughout • All primary AC & DC electrical wiring is appropriately labeled throughout the yacht • GFI (110V) AC outlet • 24 Volt system Shore Power Connector • Shore power receptacle 100+50AMP in transom with 115' cable master with ISO booster transformer Air Conditioning • Cruisair compressors for central air conditioner, 6 units, total 113K BTU (Reverse Cycle capable for operation down to 40F) • Refrigerant type is accepted worldwide under the Montreal Protocols • Cruisair remote and self-contained air conditioner with ECU controls (Reverse Cycle capable for operation down to 40F) • Refrigerant type is accepted worldwide under the Montreal Protocols • Cruisair remote and self-contained air conditioner with ECU controls (Reverse Cycle capable for operating down to 40F) Lighting • 24V Lights in all compartments • 24 V LED lights (Aerospace quality, specially tuned color temperature for Ocean Alexander) • AC/DC lights with anti-explosion type in engine room • Convenience lights, lower deck and FB • Dimmers for Salon and MSR sconces • International navigation lights Charger • Victron 60AMP Charger • Victron battery charger (engine: 24V/50A, genset: 12V/25A) Bonding System • Bonding system throughout • The vessel's bonding and grounding systems shall include copper straps secured to the hull and running the full length of the vessel parallel to centerline. Engines, generators, metallic through hulls, strainers, and pump bodies shall be connected to the bonding strap using 8 AWG wire minimum or equivalent Other • Marine-grade, tinned copper wiring • Phone jacks at MSR & Salon & PH • Vimar switches and outlets

Communication and Navigation Equipment

• FURUNO Navigation Package Integrated with NMEA2000 • Furuno MFD NavNet black box processors • Furuno 12KW 6ft open array dual ranging radar • Furuno Class B AIS integrated into Radar and Chart Plotter • Furuno Digital Sounder with 1KW B260 Broadband Transducer • 19" Marine Monitors PH (3X) and FB (2X) • AXIX IP camera in Engine Room and Aft Deck • ICOM 604 VHF PH & FB • Furuno Navpilot 500 Autopilot

System at PH an FB • KVH HD7 Control Panel Satellite HDTV system • Maretron DSM250 NMEA 2000 Display • Maretron NMEA 2000 GPS, Depth Sounder and Weather station • Nobeltec Navigation Computer Software • UPS electrical protection for navigation computer • Direct TV receiver with UPS

Security System

Include Apple iPad for remote access to operate, view, and alarm all the data of the Octoplex and navigation system with a fully customizable screen layout and remote notification (cell phone) ability. These monitoring abilities include: • Main Engine & Generator • AC monitoring • DC House battery bank monitoring • Engine Room Weather Tight Bulkhead doors • Tank levels • Fire system • Bilge level (high water) • Exterior door sensor

Tender

- 13' 2006 Zodiac Tender with 50HP Yamaha motor

Upgrades

- Skylounge Option • Interior wood selection: Sapelli • Interior varnish selection: high gloss • Sunbrella for exterior cushions: Berenson Tuxedo • Ebony Stidds in Skylounge • Ultraleather: Salon – N/A, Skylounge Settee – Ebony, Dash (upper & lower) – papyrus mullions and dash– Ebony & Galley settee –ebony. • Marble or Granite Choices: Granite – Indian black (2) floor & Giallo Veneziano Fiorito countertop • Countertop in Galley selection: Fiorito • Countertop in Heads: MSR – Fiorito , VIP – Fiorito, Guest – Fiorito, Crew – Fiorito • Granite/Marble floor in galley – selection: Indian Black (all bathroom shower floors in Indian Black Graphite • Heated granite floors in Master Head, Indian Black • 12' stabilizer fins in lieu of 9' • Seagull water purifier (ADEX design award winner w/filtration to 0.1 microns & EPA certification for microbiological purification) • 12" Sunpentown wine cooler with solid panel door in lieu of icemaker in Galley hall under stair (Added refrigerator & icemaker aft bar) • Chart light beside dash • Sea Recovery 900G/Day water maker with auto fresh water flush operation, PH Neutralizer, UB sterilizer and Commercial Pre-filter • Wireless Yacht Controller • Inverter Package • Teak deck for cockpit and side walkway to midship • Recessed boarding ladder on starboard gunnel • Teak swim platform with teak steps • S/S Transom gates for pets/children protection • Underwater lights (3) • ACR Searchlight with 2 remotes FB & PH • 24" Electri-Chef electric BBQ on Skylounge Deck • Spread lights under wing mast (LED both levels) • Manual awning with custom made aluminum poles and marine-grade exterior "Batyline Crème" Ferrari mesh fabric) • Custom exterior canvas and windshield mesh covers (All exterior seating) • 24" Swing out TV in cockpit

Exclusions

Owner's personal belongings.

Disclaimer
