SPECIFICATIONS

Overview

Kisi's Dream is a Viking Motoryacht. This model and the Viking 40 Sports Fisher share the same hull. A hull designed to handle the ocean. The boats are the same from the salon forward as well. The difference in them being the raised deck aft versus a cockpit. The raised deck makes space for a huge full beam master stateroom aft. She is in good shape mechanically and otherwise. Her Detroit Diesel engines provide economy underway over the gas equivalent engines. This boat would make an excellent live-aboard. Click below and check out the details and the photographs and give us a call to set up an appointment. *Shown by appointment only.*
