- **Exhaust Manifolds Replaced at 441 hours**
- **Bottom Painted 2018- Hauled out every 2 years**
- **Pre-Wired and Plumbed for Genset**

### Manufacturer Provided Description

The 3100 Open proves big boat features are available in a smaller package. Style and function come together with the 3100's wood-crafted interior detailing and fully-equipped galley, berths and head. With a 12-foot long stepped cockpit, plenty of space is available for entertaining. Designed with port / starboard cockpit steps for safer boarding and the trademark diamond-patterned nonskid surface from bow to stern, the 3100 Open provides both the style owners want and the safety they need for family and friends. The one-piece molded fiberglass helm tilts back for access to all electronics and gauges. Gauges, switches and controls are clustered for ease of use. The helm features over two feet of space for additional electronics. Teleflex hydraulic steering, Morse throttles and shifters, and VDO BlueLine gauges are all standard. Down below, the starboard settee / dinette converts to seven-foot double berth. The galley is equipped with microwave, two-burner ceramic stove, refrigerator, and sink. The forward double berth has a filler cushion, three stowage bins underneath, and a hanging locker. The portside head features a stand-up shower, sink, vanity, portlight, and a one-piece molded fiberglass liner for easy maintenance.
