SPECIFICATIONS

Overview

The Greenline 39 completely redefines cruising for yachts in this size with a combination of ample space, superb efficiency, excellent accommodations, safety, seaworthiness and value. The G39 Solar is the perfect cruiser for both the Pacific Northwest and Alaska or cruising the warm waters of the Baja Peninsula.

The moment you go onboard the Greenline 39 you cannot help but be amazed by the sense of space and light. The key elements of the Greenline design are all there - the 360° panoramic view in the salon with a one-piece windshield, the aft galley that becomes a cockpit serving bar for entertaining, the electric fold-down beach club transom and the spacious 2 cabin layout which all come together to create one of the most sociable and relaxing boats on the water today. Step on board the Greenline 39 and discover a new sense of freedom.

Hull 39-26 is available for immediate delivery in the West Coast. With its powerful YANMAR 8LV-370 HP diesel she can cruise at 18 knots at 1.5 NM/Gallon and her integrated 1.2 KW solar panel will keep all the house batteries fully charged while at anchor. At trawler like speeds (6.5 knots) she has a 960 mile range! In addition to the large integrated solar panel, she is equipped with a 5KW genset that can extend the time away from the dock for weeks!

Her super displacement hull is extremely efficient over its whole speed range and was designed by J&J Design, the prestigious Naval Architecture firm with over 300 power and sail designs for major boatbuilders such as Beneteau, Dufour, Bavaria, Shipman Montecarlo and many others. Certified to Offshore classification "B", (40 knots and waves up to 13'), the Greenline 39 will be at home on both inshore and offshore waters.

She has a teak interior and is fully equipped with all the modern conveniences you would expect like, bow and stern thrusters, a reverse cycle air conditioning, induction cooking, microwave a free-standing refrigerator with separate freezer and a full Spacious head with separate shower stall. Navigation is made easy with a complement of the latest Raymarine Axiom touch screen navigation electronics. For entertainment she has a large pop up TV in the Salon, and Master stateroom and a powerful Fusion stereo system with speakers in the salon and cockpit. See the complete list of specifications below.
