ХАРАКТЕРИСТИКИ

Обзор

Low center of gravity, deep V forward, just the proper spring to the shear, and fantastic seakeeping manners have made the 62 the most popular model in the line! "Gettin Lost" is powered by Caterpillar C-15 engines with two Northern Lights generators and has been continuously updated and maintained by her owners during their entire ownership.

With 100 of the Offshore 62's plying the oceans of the world, the unmistakable profile of the very successful William Crealock design has been admired for decades...So, you ask "why are they selling this fantastic yacht?"....Only to move up to a larger Offshore 80 so that they can have more of the same great features that they and all of the Offshore owners have come to appreciate! I suggest that you schedule a visit to "Gettin Lost" to discover why Offshore owners are such loyal cruisers....If you get aboard, she will exceed your expectations!!

Основная информация

Тип судна: Моторная яхта	Подкатегория: Pilothouse
Модельный год: 2007	Год постройки: 2007
Страна: United States	Открытая палуба мостика: Да
