DETAILED INFORMATION

Manufacturer Provided Description

Creating a motor yacht renowned for style and comfort such as the Carver 450 Voyager Pilothouse requires intelligent engineering and careful attention to ergonomics. Whether on the incredibly spacious flybridge or in the luxurious raised pilothouse below, passengers can see that careful attention to detail in the 450. Designed and styled after the popular 530, the 450 Voyager offers all the pleasure-filled amenities owners want in a dream yacht. Gold-trimmed custom-built gauges and dual captain's chairs pamper those on the flybridge, along with a curved lounge, plenty of storage, and a wetbar with sink. An integral staircase leads to the roomy cockpit with its stowage lockers and easy engine room access, plus a transom platform with hidden swim ladder and fender storage. Belowdecks, the 450's cabin has a unique wide-open feel with lots of windows to let in natural light. There's an incredible amount of storage space provided by a large closet that features additional rear storage beneath the galley floor.
